

- Assure that checks sent for awards by the HIKE Board Treasurer are presented to the family in an appropriate and timely manner. If the child has received funding from another source or no longer needs assistance from The HIKE Fund for any reason, see that the check is returned to the Treasurer of the HIKE Board in a timely manner so that the funds can be used for another child.
- Encourage presenters to send newspaper articles and pictures of the presentation to the HIKE Historian. Also, encourage Daughters and adults to submit articles, with pictures, to the Supreme News Exchange.
- Establish and maintain contact with audiologists in schools, hospitals, and in private practice in your area. Make sure they are using the current application form. Destroy old forms!!
- Communicate with The HIKE Fund Board of Directors regarding any questions that may arise.

We hope your jurisdiction has established a working framework for the collection of contributions and the presentation of awards. Should you have any suggestions to offer, please forward them to any member of the HIKE Board.

Good Luck, and God Bless.
