- III. Brief background on HIKE: (Daughter Coordinator's)
  - A. The HIKE Fund Inc is a charitable organization established in 1985 to provide devices for hearing impaired children, birth to the age of 20 years. It is the philanthropic project (Kids Helping Kids) of the International Order of Job's Daughters, a Masonic affiliated youth group for girls between the ages of 11 & 20. Local groups (called Bethels) solicit contributions from their community. The money is then forwarded to the HIKE Fund Inc. Bethels receive applications from parents or guardians of children in need of hearing devices. Through a screening process applications are approved and funds are provided for hearing devices.
  - B. Different types of hearing devices that may be provided include:

hearing aids	FM systems	closed caption converters
alerting systemstactile units		specialized sports equipment
